

Hans-Jürgen Brenninger  
Managing Director

**Since 01 Oct. 2011** Mr Hans-Jürgen Brenninger strengthens the management of the VEGRA GmbH in Aschau am Inn, Germany. Together with Mr Albert Uhlemayr, CEO, he is in charge of the company's business.

Hans-Jürgen Brenninger, Certified Banking Specialist and Master of Business Administration, is a long-time experienced and successful manager working as Director of a major international bank and as Managing Director of an important incorporated company in the metal working industry for municipal gas and water supply and disposal.

The new Managing Director has profound knowledge and practice in the field of project management as well as high marketing competence, especially regarding strategic development and control of Sales, Technique and Production – and he has long-time experience with personnel management.

Mr Brenninger's responsibilities comprise consolidation and expansion of the national and international strategic market position as well as the continuation of VEGRA's innovative environmental policy.
